

To,

**The Branch Manager,
Punjab National Bank,
Branch: _____**

Date: ____ / ____ / ____

SUBJECT: Request for Merging Two Accounts/Customer IDs (CIDs)

Respected Sir/Madam,

I am a regular account holder at your branch. I have noticed that I have been assigned two different Customer IDs for my accounts. To ensure smooth banking operations and better account management, I request you to merge them into a single Customer ID.

1. CUSTOMER DETAILS

- **Account Holder Name:** _____
- **Mobile Number:** _____
- **Aadhaar Number:** _____

2. ACCOUNT & CID DETAILS

Please merge the following accounts under one primary Customer ID:

Details	Primary ID (Keep This)	Secondary ID (To be Merged)
Customer ID	_____	_____
Account Number	_____	_____

3. PREFERRED PRIMARY ID

I request you to maintain **Customer ID:** _____ as my permanent primary ID for all future transactions and links (DBT/Subsidy).

4. DECLARATION

I have attached copies of my Aadhaar Card and PAN Card for verification. I authorize the bank to consolidate my details and close any redundant Customer IDs while keeping my accounts active.

Thank you for your assistance.

Yours Sincerely,

_____ **(Signature of Account Holder)**
